2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The KBCNMU university declares the schedule of the internal examination which is conducted at college level as per given schedule. The college Examination Committee prepares the time table of the internal tests. The time table is displayed on the notice board. The test examination is conducted as per the schedule and rules. Semester examination is followed by internal test exams. The internal assessment consists of three parts -internal test marks, attendance of students and student behavior.

The parent university has 60 + 40 CBCS pattern. Internal assessment is of 40 marks which is divided as 20 marks (two test of 10 marks each) + 10marks (attendance of students) + 10marks (students behavior). All these components are thoroughly taken into account and the final mark list is prepared by university. The same mark list is displayed on the student's notice board. If there are any grievances, they are solved by the college examination committee. Thus internal assessment process is transparent. As per the guidelines of the university, in the pandemic period the online internal test examination process is followed and conducted. Teachers prepared question paper and sent the same to the concerned students through whatsapp.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students are the key point of today's education. Students representatives are engaged in various committees. Every academic year Students Council is formed as per the norms of affiliating University, KBCNM University, Jalgaon. So is the case with representatives of cultural activities and NSS representative. After this selection an election process is followed as per the schedule given by the university. All these representatives are lawful voters and they do have right to elect one University Representative (U.R). After the election process, the name of U.R is informed to the university. The principal of the college is the president of Students Council. The other members include Physical Director, Student Development Officer, NSS program Officer, cultural activities chairman, the UR and all the merit wise selected Class Representatives and some other student's members nominated by the Principal of the college. The representation of students in library committee. CDC of the college has student's representation.

Matters such as the teaching learning process, Students grievance, ragging problems and the problems related to female students are seriously worked out in the meetings. In all the committees formed by the Principal at the college level, student representatives are included.

Unfortunately, due to COVID-19 pandemic period and as per the order of the affiliating university, there was no formation of student's council, studentsDevelopment committee and other committees. There was total close in college premises except

online work.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

There is an Alumni committee in the college. It conducts meetings of the alumni committee. The tribal area college with irregular internet connectivity, spreads higher education among the hilly area of satpura hills to the tribal community by the college alumni. Being the first generation learners the alumni of the college motivate the other students for higher education and we feel proud to work this tribal community. Now take them take PG education and other higher education. Their suggestions are considered to develop the college.

Alumni feedback is obtained by Alumni with the suggestions given

by the alumni are considered for future development.

The alumni belongs to tribal communities from hilly areas whenever they visit the college and feel proud as they are the first in thier families to complete under graduate education they suggest to make available the P.G. education and college accepted thier sugessions and P.G. education is also available in the college.

Due to COVID-19 pandemic period there were no face to face activities of Alumni Association. Due to social distancing it was highly impossible to keep close contact with members. Naturally the members couldn't contribute the Association. But after this pandemic period and relaxation the members will contribute for the same.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The college has established IQAC 2013, The IQAC is continuously tries for quality assurance at its best level. It is the academic committee to assure quality education. IQAC is continuously functioning positively in the quality assurance and enhancement of the college. The college has successfully faced the first cycle of accreditation in 2017. IQAC concentrated on the issues and recommendations by NAAC peer teams. IQAC complied the recommendations suggested by visiting NAAC committees.

The IQAC plays very significant role in the development of the institute.

During the pandemic period all the physical activities were stopped by the government and university by strict rules. The whatsapp groups of students were formed and the process of teaching-learning was continued through the various modes.

IQAC also concentrated on the improvement of teaching faculty as far as teaching is concerned. IQAC compelled all the teachers to participate in online Refresher courses, orientation courses, short term courses, e-conferences, webinar at state level, National level and International level. Majority of teaching faculties attended these courses and tries to update their knowledge.

In this way IQAC tried its best to enhance the quality of students and teachers as well. The work of teaching and learning is positively monitored by IQAC.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

All the problems regarding female students are solved. The issue in society is 'gender equity' because of which the social atmosphere is changed. In the tribal community there is no difference between girls and boys, and the other hand the female child is given more respect. Due to this issue both female and male students are treated equally and there is no superiority and inferiority complex between the female and male students. Taking into account the measures initiated by the institution for gender equity are listed below:

1. Girls students safety and security is priority of the college.
2. Female NSS volunteers are given full security and safety in various activities.
3. There is security at the main gate of the college.
4. There are separate committees such as Discipline Committee, 'Anti Sexual Harassment Committee', 'Yuvati Sabha' and 'Swayam Siddha' for the safety and security of female students.
5. The campus of the institution is under the surveillance of CCTV cameras.

During COVID-19 pandemic period the college was closed as per the order of the Govt. of Maharashtra and the KBCNM university. Students were away from the college and so there was not a problem of safety and security.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice No. 1 Tribal Heritage. Title: Tribal Heritage Goal: Our college is situated in Tribal and hilly area of Satpura hills. To make all round development of the tribal students. To uplift the tribal students and empower them through higher education. To bring this goal in practice, we formed a committee "Tribal Heritage Committee" The committee. The committee discusses and plans to develop tribal heritage in campus and outside the campus. Our College is located in tribal area and the nearby villages are called as "Padas", our teachers go home to home in search of students to provide them higher education and to study the culture of tribal people in order to bring this culture before the world.

Practice: To study the tribal culture.

Evidence of Success: The staff members of college are connected with Adiwasia culture, festival, language etc. which helps in teaching-learning and also helpful for connecting and developing the students.

Problems and Resources Required: The Adiwasia language and barriers in communication is a big problem. On availability of required funds a lot of work will be done by the faculty, such as research in tribal language and literature, geographical location, environment, literacy etc.
