## Preface

Sant Jaganade Maharaj Shikshan Mandal's Arts and Commerce College, Khapar, with great and immense pleasure presents the Self Study Report (SSR) to the National Assessment and Accreditation Council (NAAC), Bangaluru for Accreditation.

The founder President of Sant Jaganade Maharaj Shikshan Mandal, Shri.Vasant Chhagan Chaudhari with a generous vision to impart higher education to tribal and hilly area students established Arts and Commerce College at Khapar in 1996.

It is with great and immense pleasure that I present the Self Study Report (SSR) of our college to the National Assessment and Accreditation Council (NAAC), Bangaluru for Accreditation. In 1996, under the umbrella of Sant Jaganade Maharaj Shikshan Mandal Arts and Commerce College was established. Our college has got sanctioned from Government of Maharashtra as Arts & Commerce College, Khapar but at present we run only Arts faculty. Our college is located at Khapar, Tal. Akkalkuwa, Dist.Nandurbar, which is the north- west part of Maharashtra near the borders of Gujarat and Madhya Pradesh. Khapar is a tribal village in Akkalkuwa Tahsil, majority of the population is from tribal, socially and economically backward sections of Society. Khapar is located in hilly area of Satpura ranges which is on Ankaleshwar-Burahanpur State Highway. It is about 55 km. from the district place (Nandurbar) and is well connected by state highway and railway. The nearest railway stations on the main route are Nandurbar, Jalgaon, Surat, (W.R) and the airports are Vadodara (Gujarat), Aurangabad (M.S) and Indore (M.P).

Our teachers feel proud to teach tribal and hilly area students to bring them in main stream of higher education. Appearing for NAAC for accreditation is a splendid experience for us as it helps us to know our strengths and weaknesses, innovative ideas. In order to maintain standards in higher education, the college has been working upon the quality measures laid down by the North Maharashtra University, Jalgaon, UGC and NAAC.

Our college is trying sincerely to develop all round personality of tribal area students by applying various innovative ideas, teaching skills, new techniques and better understanding of our strengths and weaknesses. Apart from the academic development of the students, the college is keenly interested in motivating the teachers for doing M.Phil, Ph.D, research papers, and minor research Projects.

We, the members of teaching and non-teaching staff, are truly devoted to the fulfillment of the expectations and aims and objectives of the President,

S.J.M.S Mandal. This report has the contribution of each and every member of the college. The NAAC Co-ordinator Mr. Manik P. Suryawanshi with Steering Committee members worked hard and taken lot of efforts to prepare this S.S.R. Our college faced NAAC committee in 2004 but in their assessment the college found not qualified for grade. The NAAC committee report suggested improvements in some areas and guided for the development of the college, as per their assessment criteria the college prepared this self study report for the assessment. The college is thankful to NAAC Bangalore, NAAC Steering Committee for their suggestions and guidelines.

I appreciate the co-operation of the management and other members of the staff for this collective venture. I hope this report will find criteria-wise worthy and believe to justify our sincere endeavour.

**Dr.A.S.Bhole**

  5. Mr.M.P.Suryawanshi - Member
  6. Mr.D.T.Suryawanshi - Member

The committee discusses and plans to develop tribal heritage in campus and outside the campus. Nandurbar District itself was separated from Dhule District in 1998 to facilitate the tribal area people. It has the east- west Satpura ranges at the North -West of Maharashtra containing the Tapi and Narmada Basin.The total population of Akkalkuwa Taluka is approximately 90 % of Schedule Tribes. Due to the lack of transport in this region the prime residential core remain quite long from the improvements.

**3. Context:** Our College is located in tribal area and the nearby villages are called as "Padas", our teachers go home to home in search of students to provide them higher education and to study the culture of tribal people in order to bring this culture before the world. We have formed this tribal heritage committee where our teachers study customs, rituals and culture of tribal people.

**4. Practice:**

- To study the tribal culture.
- Our staff members and students are involved in organizing tribal cultural programmes.
- In this tribal heritage committee organizing various programmes and competitions for tribal heritage is the main purpose; some poems are collected in Adiwas language.
- Committee members also working on Adiwas festivals like Holi, Diwali and their local festivals.
- The faculty visited Devmogra fair, Kathi, Holi festival (Main festival of Tribal people), Khapar fair and studied customs and rituals of tribal people.

**5. Evidence of Success:**

The staff members of college are connected with Adiwasi culture, festivals, language etc. which helps in teaching-learning and also helpful for connecting and developing the students.

**6. Problems and Resources Required:**

The Adiwasi language and barriers in communication is a big problem. On availability of required funds a lot of work will be done by the faculty, such as research in tribal language and literature, geographical location, environment, literacy etc.
